## Regards & Recognition

All Out Arts honors  
**The New York Neo-Futurists**

for creating

- Theatre that is fusion of sport, poetry, and living-newspaper,
  - Non-illusory, interactive performance that conveys experiences and ideas as directly and honestly as possible,
  - Immediate, un-reproducible events at head-slappingly affordable prices,
  - Work that embraces those unreached or unmoved by conventional theater– inspiring them to thought, feeling, and action, and
  - A company that queers the very concept of theatre, and provides a year-round platform for innumerable queer artists and their work.

**“Fighting Prejudice Through The Arts”**

Artistic Director - Liz Thaler
